

I'll be there

**Sad and left astray
Did your one and only
leave you yesterday?
Now you feel so lonely**

**But you.... will learn-
learn just not to care,
when you know that
I'll be there
I'll be there
I'll be there**

**Did I hear you cry
when you found out there's
more than meets the eye
from a girl who won't share?**

**But you.... will learn-
learn just not to care,
when you know that
I'll be there
I'll be there
I'll be there**

**And you have learned-
Learned just not to care
'cause you know that I'm**

**sad and left astray
Did your one and only
leave you yesterday?
Now you feel so lonely
But you.... will learn-
learn just not to care,
when you know that
I'll be there
I'll be there
Yes, I will
I'll be there
Oh, my my
I'll be there**
