

## **Freedom**

Intro: Cm, A, E, Esus4, E (2x)

E Esus4, E  
She said we dated for oh so long

I can't be certain but something's wrong

C#m A E  
Her words, imply she's thinking  
C#m A E Esus4, E (Same for other verses)  
I feel myself slowly sinking

Bartender give me a double shot  
I think my chick wants to tie the knot  
Oh no, I think she's crazy  
Oh no no no, my mind is hazy

B A E  
Oh no no I don't want to lose my freedom  
Oh no no I don't want to lose my freedom (Esus4, E)

Since four o'clock I've been wide awake  
I pray the whole thing's a big mistake  
Oh no no no, I'm feeling queasy  
Oh no no no, my life's uneasy

Oh no no I don't want to lose my freedom  
Oh no no I don't want to lose my freedom

Guitar solo over Intro

I finally faced up to my own fears  
I'll look ahead to our golden years  
Would you be mine forever?  
I'm such a fool; she told me never

Yeah she said I don't want to lose my freedom  
Yeah she said I don't want to lose my freedom  
Oh she told me, she said  
I don't want to lose my freedom  
Oh she said, I don't want to lose my freedom
