Don't you show me the way
Don't really want to see that town F# (finish chord for verse)

Chorus→ B G#m F# E B G#m F# E
'Cause I'm la-----a-----zy from head to toe
B G#m F# E B
La-----a-----zy, that's all I know

I should make some coffee
I should check on the fax
Boss man riding on my back
People always callin'
I feel that I'm fallin'
Motivation's what I lack

'Cause I'm lazy from head to toe
Lazy, that's all I know

Guitar Lead (Intro chords 4X)

Someone stop this starin'
I find myself just glarin'
Can't help surfing on the net
Didn't go to work today
Stayed at the track, yeah to play
Play the horses- place my bet

'Cause I'm lazy from head to toe
Lazy, that's all I know
That's all I know
That's all I know
That's all I know (End on Emaj7)
