Bb F Am7 (Repeat from Intro)
Feeling a loss while I'm feeling no pain

I'm thinking of the shape I'm in
Can feel my anger rage within
Just need to find peace of mind
Of the soothing nature and the settling kind

Too bad 'cause it's gonna take time
to receive the comfort that I need to find
So sad, unproductive day;
when I'm used to having things my own way

Something has happened I cannot explain
Feeling a loss while I'm feeling no pain

Interlude (G7, Fsus2, Em7)

Too bad 'cause it's gonna take time;
by then I know that I will lose mind
So sad, unproductive day;
when I'm used to having things my own way

Something has happened I cannot explain
Feeling a loss while I'm feeling no pain
Feeling no pain
