Any wish is my command
Breathing in the ocean air
Lying on the coastal sand

I'm fallin' in love with you
F C G Gsus4
I'm fallin' in love with you

Every hour from the dawn
a hook is resting in my smile
Addiction's never been so strong;
following me every mile

I'm fallin' in love with you
I'm fallin' in love with you

I want to be careful
Am G Am
not to let this slip away
Am E7 F Fm (Intro chords)
Losing you'd make my very soul tear away

I'm fallin' in love with you
Can't you see that I'm
fallin' in love with you?
Oh my my I am fallin' in love with you**
