Break (Verse Chords)

Chorus→

And I'm waiting for these times to change  
I'm debating what to rearrange  
I should be going  
from what I'm knowing  
But I'm staying  
I'm still delaying  
I should be going  
from what I'm knowing  
But I'm staying  
even though it hurts me to

Even though it hurts me to  
Even though it hurts me to  
Even though it hurts me to  
Even though it hurts like you

VERSE SEQUENCE – REMEMBER TO CAPO 3... OR IT WON'T SOUND VERY GOOD!

Repeat, then

“AND I'M WAITING” CHORUS SEQUENCE

“EVEN THOUGH IT HURTS ME TO” SEQUENCE

Note: Open string names under the chord diagrams are not accurate due to the capo on the third fret. Please adjust accordingly.
