D Cadd9
Well, I shouldn't wait around forever
G

D Cadd9
Don't make me wait around forever
Em7, Cadd9 (2x)
Well, I might, I will, I do oo oo

When will you want to see me?
All I do is think of you
Do you know that I exist?
Can you help to see me through
the longing I feel in my heart;
the pain that's burning in my mind?
I need to have you next to me
Why are you so hard to find?

Well, I shouldn't wait around forever
Well, I might, I will, I do
Don't make me wait around forever
Well, I might, I will, I do
